To,

The Educational Inspector, S. D.

Sir,

I have the honor to report that Kanarese school at Savanur stands in need of a 3rd year trained assistant on Rs. 20. The number of children attending it has risen to 270 and in point of efficiency it can now be counted amoung the most prominent schools of the District. Excepting the Head master and the 1st assistant ( both 2nd year trained men ) the existing staff of teachers consists of untrained men . It is quite essential that a large school like the one at Savanur should have a 3rd year trained teacher on its staff.

2. The Divan Saheb of Savanur , having obtained sanction for a place of Rs. 20, has asked me to send a competent 3rd year teacher of more than 10 years standing and to move the Political Authorities to provide for the pension claims of the teacher to be transferred to the State. His vernacular letters are sent herewith for perusal and return.

3. The pensionable teachers in the service of the Local Board are unwilling to serve in the State unless the State is prepared to contribute, with the previous sanction of Government, towards their pension fund. The services of a 3rd year trained teacher are quite necessary at Savanur . I beg that you will kindly ascertain from the Political Agent whether the State is willing to provide for the pension contribution of the teacher and to obtain the necessary sanction of the Government for the transference of the teacher from the Local Board to the State service.
